

## NOBODY GETS OFF IN THIS TOWN

### (11) CIRCLE LEFT

Nobody gets off in this town  
Trains don't even slow down  
Allemande left your corner, go home do sa do  
Men star left – once around you roam  
Turn your Partner by the Right  
The Corner, Allemande  
Come back – U swing – Promenade  
The Greyhound stops! Somebody get on  
But nobody gets off in this town

The Heads/Sides You promenade half-way  
Come down the middle and Pass the Ocean there,  
Extend,  
You Swing Thru tonight – boys Run Right,  
Half Tag, Walk and Dodge, then Partner Trade,  
Pass the Ocean, Recycle Round,  
Swing you're Corner – Promenade  
There's one stoplight but it's always green  
Nobody gets off in this town

### SFGS *Instrumental* (27)

Left Allemande and you Weave  
They can't drag Main because it kicks up dust  
Swing your corner- Promenade (it's a must)  
The High School Dances are always a bust  
Nobody gets off in this town.

SFGS *Instrumental* (27)

Cause in the winter you Freeze

And in the summer you fry

Swing your corner – Promenade I cry

I'd go for a drink but this county is dry

Nobody gets off in this town.
