

## Linda Put the Coffee On – Cue Sheet

### Opener

#### **Circle Left**

Well I don't mind wastin' my time, On this crazy afternoon  
**The Boys Star Right** one time, rollin' around that way now  
**Allemande Left** and **Weave** the ring  
But, Oh my soul, I lost control of my reality  
Cause I got sunshine and red wine  
But there's hardly nothin' left of me

### Figures

**Heads (Sides) Square Thru** count 'em Four and go, well  
Rollin' round the ring one time now  
You **Swing Thru** and then **Boy Trade**  
**Spin the Top** move up and then well **Recycle** Round  
You **Pass the Ocean** now and the **Boys you fold**  
Girl turn back, **Swing** and all **Promenade** her  
I got sunshine and red wine  
But there's hardly nothin' left of me

(It seems lightly insane  
But the rain's shining' on my sun)

### Middle - Closer

#### **Sides Face Grand Square**

Whoa Linda, put the coffee on  
Your mystery man I'll be home before so very long  
**Four Boys (Girls) Promenade** one time and rollin'  
Come on **Swing** the Girl, **Promenade**  
I see my favourite face, I know that's the place that I belong
